

making PROMPTS

<p>Create one motif (butterfly, tag, label, etc.) in 5 different layered embellished clusters</p>	<p>Use at least 1 of the following translucent elements: vellum, tissue, acetate</p>	<p>Build a page where every layer peeks out intentionally</p>
<p>On a flat background add dimension and layers but only in one area</p>	<p>Create a “hidden layer” that is only partially revealed</p>	<p>Use repetition of the same shape stacked in different ways</p>
<p>Limit yourself to paper + one ink color. Focus on layering depth.</p>	<p>Layer the following on a project: pattern paper, frame, die cut botanical, word strip, notched scrap and a piece of ephemera</p>	<p>Create a strip of layers of ephemera and die cuts all along the edge of a page</p>
